Validated Parking

Session attendees can park in the surface parking lot directly behind our building, with an entrance on Selma Avenue. Once parked, please come directly to the studio **without** paying the fee, and we will go place a validation slip on your car.

Studio Entrance

Our front door is around the corner on Argyle Avenue from this parking lot. It is a large red door (probably with this weeks graffiti on it) and a call box with instructions for Studio Awesome. If you have any issues at all finding our front door, finding where to park, or finding your purpose in life, give us a call: 323-462-1873.
