

Parking + Arrival Instructions

1838 WESTERN AVE
LOS ANGELES, CA 90027

Studio Parking

Session attendees can park in the parking lot on the corner of Russell and Western. It is shared with a Baskin Robins, but unfortunately we have not struck a deal for free ice cream. Please park along the back side, and ignore the signs that say "15 Minute Parking." IF for some reason that lot is full, there is ample street parking and we are happy to fill the meter for however long is needed.

Studio Entrance

Our nondescript front door is about 30 steps north on Western Ave. Talent can just walk in and we will greet them upon their arrival! If there are any issues finding parking or our studio, please give us a call at 323-798-4262!
